

ANI NETWORKS NAMES DENISE MCCUE AS NEW CEO

LAS VEGAS, Nevada-- ANI Networks is pleased to announce Denise McCue as its new Chief Executive Officer. Denise joins ANI Networks from Global Crossing where she was Director of North America and Latin America Wholesale Voice sales. Denise spent over 6 accomplished years with Global Crossing in Wholesale. Prior to Global Crossing, she spent 20 years on the Enterprise side of AT&T. ANI Networks' owner, Sam Delug, states, "Denise brings a unique blend of wholesale and retail sales experience, both domestic and international, along with the ability to successfully manage change through the waves of market trends in the telecommunications industry."

Denise's vision for ANI Networks is to widen the product portfolio shelf and to develop bundled offer sets to expand the depth of services available, as well as answer to the changing demand for the existing and new customers. Denise also intends to establish an indirect sales channel to fuel the company's growth in the Enterprise space. The expanded product scope and market reach, along with consistent emphasis on outstanding customer satisfaction will prove ANI Networks to be a sound contender in this competitive space. "My personal sales career has a great tradition of achievement and will continue to play a pivotal role as it fuels the future growth of the company" says Denise.

About ANI Networks:

ANI Networks is a privately held, facilities based Communications Company servicing the wholesale long distance voice market, both Resale and Carrier. With facilities and clients on 3 continents and a vast domestic Feature Group D Network, ANI Networks is a premiere partner to the companies in the wholesale market place with a focus on traditional voice services. By utilizing the efficiencies of next generation VoIP technologies with in its own network topology, ANI Networks has the flexibility to adapt to ever changing wholesale market conditions and regulatory capitulations, resulting in operational stability and economic longevity for its wholesale clients.
